CIRCULAR NO. RP/2020/GL

TO: All Pesticide Registrants,

Dear Sir/Madam,

Subject: Review Status of Scrutiny of Registration Files for Re-registration of Pesticides

The status of scrutiny of files for re-registration has been passed by 01st of July 2020 as per the directive of the Circular No. RP/2019/GL dated 26.06.2019. However, I understand that many registrants are yet to be submitted information requested by the above Circular and the status to be scrutinized as expeditiously as possible and the status of the same may be placed before the Pesticide Technical and Advisory Committee (PeTAC) for continuing the re-registration at the end of compliance deadline. In a number of cases, based on the information submitted in compliance with the above Circular, clear deficiencies have been conveyed to the applicants however, reply has not been submitted by the applicant.

It is the responsibility of the registrant to submit the required response, within the prescribed period as of above. However, in order to give a justice to meet with the requirements and in view of the fact regarding COVID-19 pandemic, further extension of compliance until 31st December 2020 (another 6 months) will be given pending approval from the PeTAC.

If any registrant fails to submit information requested by the above Circular, Registrar of Pesticides, on the advice of the PeTAC may be obliged to withdraw, suspend, or modify pesticide registration under the authority of Section 11 (1) of the Control of Pesticides Act No. 33 of 1980.

Should you require any clarification in this regard please do not hesitate to contact me.

Thanking you.

Dr. J.A. Sumith
Registrar of Pesticides
