Circular No. RP/2020/REG/01

To: All Pesticide Registrants-

Dear Sir/Madam,

Proposed Rule for Extension of Import Approvals

All import applications for Import of Pesticides (*Approval for Import*) on registered pesticides are processed on a payment of Rs. 1,000.00 submitted along with the application (*Application for Import of Pesticides, 2nd Revision on 29.05.2019*). Every import approval is valid for a maximum of 3 months from the date of issue during which the necessary *Imports & Exports Control Licence* has to be obtained from the Controller General of Imports & Exports.

However, situations may exist delaying in applying for Import License due to some logistical barriers from the importer/exporter ends. In such situations, following rule will be applied on issuing necessary *Approval for Import* as follows:

1. Any request for import extension after 3 months from the date of issue will be processed without the prescribed processing fee, if the application has been processed through the Controller General of Imports & Exports. In such situations, copies of previous import approval & the corresponding *Imports & Exports Control Licence* should be submitted with a request letter.
2. Any request for import extension after 3 months from the date of issue will be processed only by a fresh application made on that behalf with necessary fee of Rs. 1,000.00, if the application has not been processed through the Controller General of Imports & Exports.

Please be guided accordingly. Should you require any clarification, please do not hesitate to contact me.

Thanking you.

Dr. J.A. Sumith
Registrar of Pesticides
